Government Higher Secondary School Dhurwar, Shahdol
📅 06/2021 - 06/2022

B.Tech
Sagar Institute of Science and Technology Gandhinagar
📅 07/2022

PROJECTS

To- Do List Application

To-Do List Application: Allows users to add, complete, and delete tasks. Features include task filtering, marking tasks as completed, and clearing completed tasks.

Wheather Application

Users input a location to fetch and display real-time weather data from an API, with error handling for failed requests and a user-friendly interface.

DIY Home Improvement Hub

An online platform offering resources and guides for DIY home improvement projects. Users access tips, tutorials, and product recommendations for enhancing their living spaces, fostering a DIY community.
